

# HOW TO UPDATE YOUR REOCCURING GIVING

## STEP 1

Click on 'Give online now' button at [tpcc.org/give](https://tpcc.org/give).

**AT TRADERS POINT, WE WANT TO BE THE KIND OF CHURCH WHOSE GENEROSITY ONLY MAKES SENSE IN LIGHT OF GOD'S GRACE.**

Giving is an important step in spiritual growth and maturity. Put simply, growing people are generous people. To learn more about our heartbeat and stewardship with your generosity, [click out who we are](#).

Your generosity at Traders Point directly impacts God's mission to go and change the world. We are set up as one fund, which provides support for all ministries of the church as well as support for our many local and global strategic partners.

We are currently on a two-year discipleship journey called [Anaken](#) where we're leaning into the future that God has given our church. We are inviting those who call Traders Point home to join us in advancing that mission.

Give here or learn more about how you can be part of it.
