

GOD HELPS GIDEON - JUDGES 6-7

The Midianites ran away scared, and God helped save His people.

God said there were too many soldiers, so 22,000 scared soldiers went home.

God promises to help give Gideon the victory with only 300 soldiers.

God sends an angel to Gideon and says He wants to help get the Midianites out of Israel.

God gave Gideon a sign that He was going to help him rescue the Israelites.

Gideon and his soldiers did what God said by circling the Midianites while breaking jars, blowing trumpets, and shouting.
