

Group Member Agreement

We agree to follow these four essentials of group life:

- Disciple: Nurture our love for God and develop followers of Jesus
- Care: Care for and love one another
- Serve: Encourage everyone to serve within the TPCC body and to have a heart for the lost
- Multiply: Welcome new people and reproduce more leaders

I agree to the following values and goals:

Relationships

Building relationships centered on God's Word are vital for healthy group life.

Authenticity

The atmosphere of a group should encourage openness and transparency among members.

Confidentiality

For authenticity to occur, members must be able to trust that issues discussed with group members will not be shared outside of the group.

Respect

Group members should never say anything that will embarrass any member of the group.

Faithfulness

A primary responsibility of group members is to prioritize for specific relationships. This requires a willingness to be faithful to attend regularly and be available to meet each other's needs.

Group Guidelines:

1. The group will meet from _____ through_____.
2. The group will meet on _____(day of the week).
3. The group sessions will begin at _____ and end at _____.
4. The group time will typically consist of _____ minutes of socializing (relationship building), _____ of study/application, and _____ of prayer and sharing.
5. Adding members to your group is good (12 – 14 is normal) and we encourage the group to actively look for new members who might be disconnected.
6. Group members will attend, prepare, and participate on a regular basis. Members agree to pray for one another on a weekly basis.

I accept, with the other members of this group, to honor this agreement.
