

# UNDERREVIEW

## If I Fall – January 13 & 14

*We need to review where we've been so we can know where to go.*

Read these verses before your discussion: Ecclesiastes 3 & 4

Dive deeper into this week's sermon content. Use these questions to help guide your group discussion.

1. In Ecclesiastes chapter three, Solomon addresses some things that threaten our happiness, contentment, and fulfillment. How would you describe your current season of life? What do you enjoy? What challenges are you currently facing?
2. It's usually the hard, painful moments of life that spark the most spiritual growth. What failure or pain has made the biggest impact on you? How has it changed how you see God and others?
3. Envy, comparison, and insecurity naturally create barriers between us and other people. Are your insecurities creating barriers between you and anyone right now? If so, how? What can you do about it this week to give it over to God?
