

**\*MIXED GROUPS AND COUPLES GROUPS:**

*Due to the nature of this week's content, we recommend splitting into separate men's and women's discussion for this material.*

**WARM UP QUESTION**

What are you most looking forward to this month and why?

- 1 **Read Genesis 2:22-25.** What do you notice in these verses about God's original design for man and wife? What was present, and what was missing? Do you think this type of connection is still possible today? Why or why not?
- 2 **Read Genesis 3:1-5.** What tactics do you see used by the serpent? Where do you see these same tactics used today when it comes to the topic of sex?
- 3 **Read Genesis 3:6-13.** What stands out to you in the man's and woman's responses in verses 6-7? Has there ever been a time in your life when you've tried to hide from God? Share about the emotions you felt and what you experienced in that process. How did you ultimately respond to Him?
- 4 **Read Romans 1:25.** Where do you see the truths from this verse playing out in the Genesis story you just read? Where do you see them playing out in society today? In what area of your life are you most tempted to trade the truth about God for a lie? What makes it easier for you or harder for you to worship the Creator rather than the things He has created, including sex?
- 5 **Read 1 Thessalonians 4:3-8.** When you look at what God is calling you toward and what He's calling you away from in these verses, what stands out to you? What do you think He's calling you personally to change in response? Spend a couple minutes right now and pray as a group, asking God to bring clarity to your hearts and minds as to what He might be saying to you. Then share with each other what He's asking you to apply to your life and when you'll apply it.
