## WATCH TODAY'S MESSAGE

*As a family, watch today's Elementary Message from our website or You Tube.  
Keep the conversation going while doing the activities listed below.*

### DO

In this series we are learning how God can free us from all our fears.

Read Psalm 34:4 from a Bible or Bible app.

### ASK

What is something that has made you feel scared?

What do you do when you feel scared?

Who is with you and can help you bust your fear away? (God)

What are some things you can be thankful for in your life?

### PLAY

the "Alphabet Game" with fears

HAVE kids name fears (can be funny or serious) for each letter of the alphabet.

- For example: Airplanes, Bears, Cotton Balls, etc.

### PRAY

Dear God, you are great! Please free me from all my fears. Thank you for my snack. I love you! In Jesus' name I pray, amen.
